CRUZE FASCIA SYSTEM

The Cruze Roller Blind System offers two fascia profiles available in 3 colourways, elevating the aesthetic profile of any roller blind.

- Compatible with both 32mm and 40mm systems.
- Available in three colour profiles: White, Anthracite & Black.
- Engineered with high quality engineering-grade aluminium.
- Powder coated for corrosion resistance.
- Reduce light entering the interior from above the roller tube.

MOTORISATION

Softshade Blinds offer a range of motorised blind solutions.

Create a safe, comfortable and more energy efficient home with motorised SoftShade Blinds.

When connected to smart home devices, motorised blinds create safe, comfortable and energy efficient homes.

- Motorised blinds enhance child safety with the elimination of cords.
- Compatible with a wide range of motors including Cruze, Stelor & Somfy.

WARRANTY

Preimer Softshade Blinds are covered by a 12 month guarantee from the date of delivery based on the following points:

- 1) The product has not been altered/adjusted or customised post production.
- 2) The product has not been affected through installation by any third party.
- 3) The product order does not sit outside Decora's recommended specification.

Any defective blinds must be detailed to Decora accompanied with photos showing defects. Any remake or repair will be subject to stock conditions and alternatives may be used if and where necessary.

**Fabric flaws visible from 1m will be deemed as unacceptable*
